

Wiedergænger

Deep Diggin' Dreck'n'Roll from Hamburg

A shadow from the past, an evil dream cast aside, a rotten thing that just won't die – here's Wiedergænger from Hamburg, Germany. Founded in 2014, the band now consists of Justus (lead vocals), Jakob (guitar, backing vocals), Mirco (guitar), Ronny (bass guitar, backing vocals) and Ansgar (drums).

Wiedergænger play metal, somewhere between melodic death, a little black, a bit of doom and with a touch of rock'n'roll.
